WorkTable
Another innovative Huot product

Tool Drawer EDP #78240

Tool drawers, with ball bearing slides, welded column dividers and lock. Easily mounts to the underside of your WorkTable.

Vises

Heavy duty vises can be mounted just about anywhere!

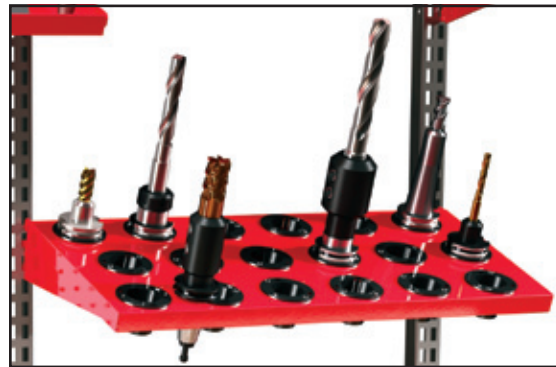

Our Butcherblock tops are custom made by local artisans and have 1/4" bullnosed edges to provide a smooth and safe working area.

Accessory Framework EDP #78230

Heavy 14 gauge frame bolts right through the butcher block top providing sturdy support for shelving and other accessories.

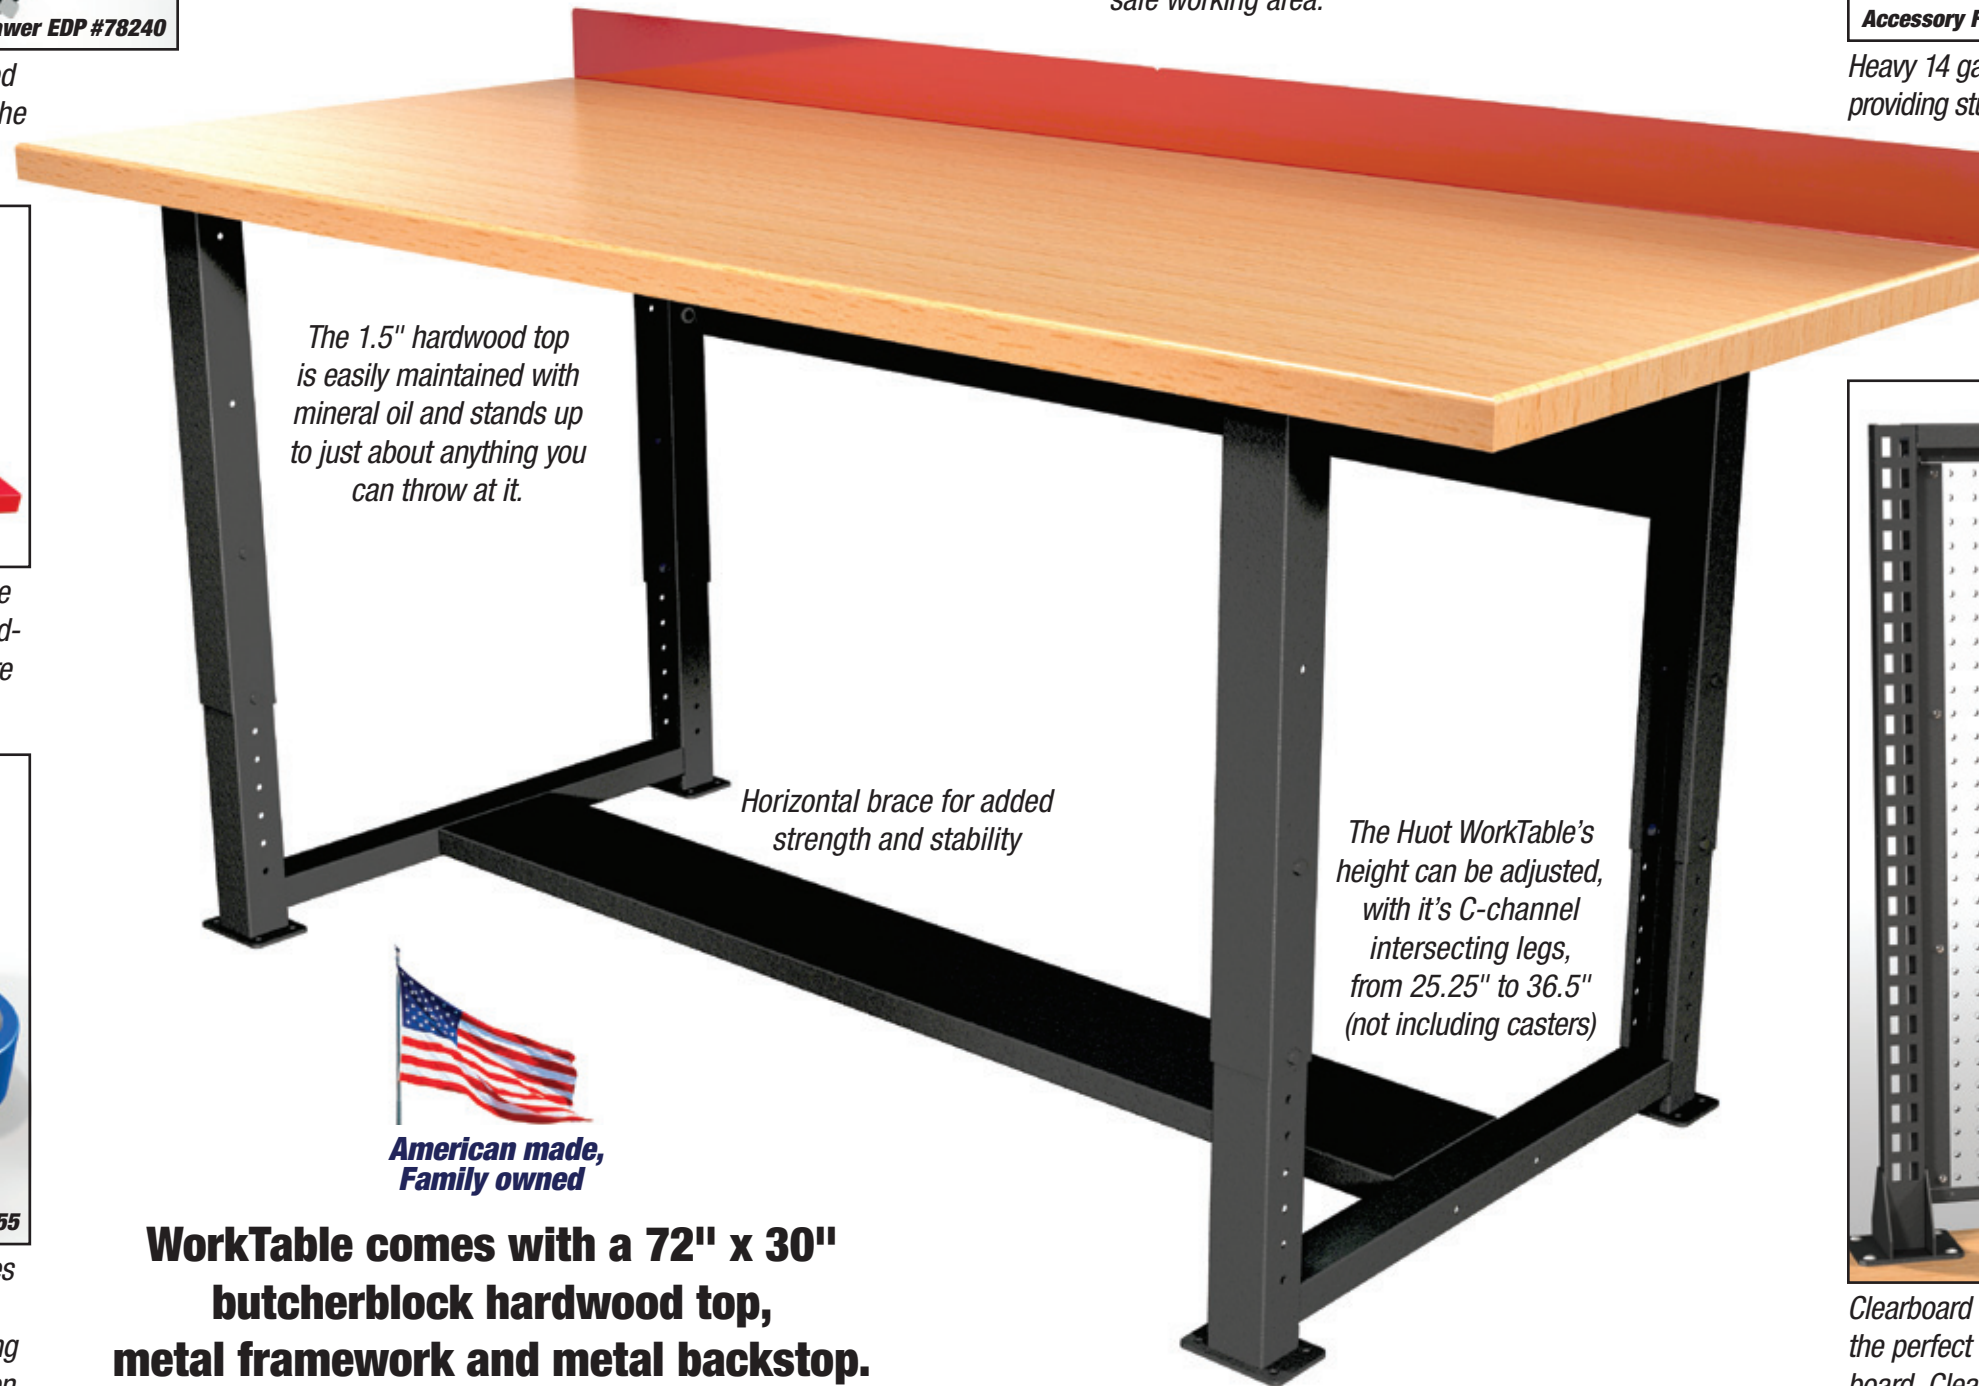

Shelves can be mounted flat or at a -20° angle and come in all popular tapers and sizes including HSK and CAPTO. Many shelving options are available along with custom options.

Heavy Duty Casters EDP #50355

The large, sturdy 7 gauge welded foot provides extra stability and doubles as a platform for attaching heavy duty casters. Rigid and locking casters make it a snap to move the table when cleaning is desired.

The 1.5" hardwood top is easily maintained with mineral oil and stands up to just about anything you can throw at it.

Horizontal brace for added strength and stability

The Huot WorkTable's height can be adjusted, with it's C-channel intersecting legs, from 25.25" to 36.5" (not including casters)

**American made,
Family owned**

WorkTable comes with a 72" x 30" butcherblock hardwood top, metal framework and metal backstop. All accessory items are sold separately.

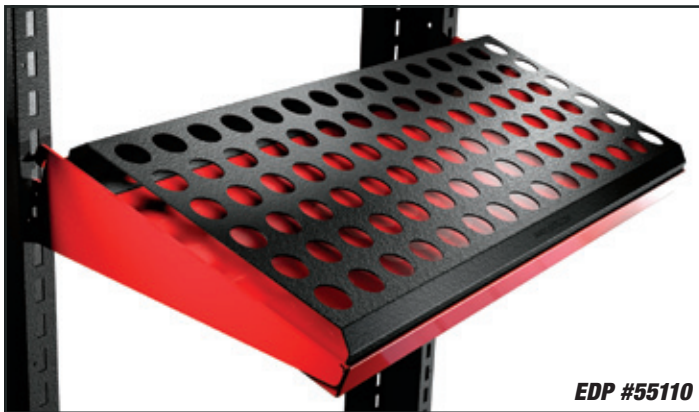

Clearboard EDP #78235

Clearboard can be installed on one or both sides providing the perfect area for hanging tools or for use as shadow-board. Clearboard also allows visibility into the shop and natural light for your worktable.
